

Boynton Florida Neighborhood Steering Committee

June 1, 2026

In attendance: Robin Beauchamp, Ambrish Chitnis, Phyllis Fetto, Kathy & Krehe Ritter, Terry Tan

Next meeting is July 6 at 6:30 at Robin's house.

We discussed duties of the treasurer and clarified them to be both keeping track of donations (how much and by whom) and disbursing funds as decided by the steering committee.

The Website was realized to be one of our major costs. Ambrish will look into finding a cheaper provider of the website platform since our needs are very simple (only posting information and announcements).

Ambrish knows how to set up a QR code and make Venmo usable to collect information. Checks will continue to be accepted.

Ambrish agreed to take over the treasurer's job and will include accounting in our Google document, rather than having a separate bank account (which had still been identified with Krehe's SSN).

Then we discussed some ideas for fund-raising. These included a neighborhood garage sale with proceeds being donated. Maybe a bake sale could be included. Also we

could solicit local merchants for donations. Some discussion of TooGoodToGo apps, although Kathy was unclear on how that would raise funds.

We noted that our next planned event is to be Sept. 20 (Sunday), at the dead-end part of Florida St, Tentative time 3-5 PM and might include radio practice .

Kathy contacted Shari H at 411 Boynton about access to 409 Boynton. Currently the only access is via Amherst Ave. behind the hardware store parking lot.
